

World Chemical USA, Inc.

Sealless Chemical Pumps & Oil Recovery

LINECARD

YD-GS / GSF

End-suction magnetic drive pump (CFR-PP, ETFE)

→ Acid, alkali circulation, scrubbers, rinse

YD-GV / GVF

Self-priming magnetic drive pump

→ Drain recovery, sump transfer without flooded suction

YD-GWN

Submersible magnetic drive pump

→ Pits, rinse tanks, pickling lines, corrosive wastewater

YD-VK

Vertical sealless pump

→ Tank-top mounting, no mechanical seal

YD-GYP

Gyro Skimmer oil recovery system

→ Floating oil removal, reduces disposal costs

Applications

- Industrial wastewater pits
- Steel mills -Pickling lines, acid recovery & fume scrubber systems
- Automotive parts plants
- Chemical tanks & pits
- Foundries
